

230 range tables.

230 range.
Design: Andreas Störiko
Model 236/2

Tables from the 230 range stand out because they are lightweight and elegant, stylish but still very robust. The compact table tops are just 12 millimetres ($\frac{1}{2}$ " thick (round tables 70 or 75cm (27 $\frac{1}{2}$ " or 29 $\frac{1}{2}$ " in diameter and square ones 60x60cm (23 $\frac{5}{8}$ " x 23 $\frac{5}{8}$ " or 70x70cm (27 $\frac{1}{2}$ " x 27 $\frac{1}{2}$ " in size). To match the table top, the column is white or black coated, or bright chromium-plated.

In addition to bar stools, multi-purpose and task chairs, the 230 range also offers round and square low, sitting and standing-height pedestal tables, as well as two-pedestal rectangular tables.

The stylish and transparent look and feel of the 230 range is ideal for informal areas used for professional purposes: sales rooms, customer-support and waiting areas, bistros and cafeterias, or desks and dining rooms at home.

Thanks to the anti-bacterial fabric of the seating and the easy-care, robust table tops, 230 range is an excellent choice for spas and healthcare areas. Whatever the setting, the furniture lends the room a light and informal appeal that encourages an informal chat. It is both attractive and comfortable with sophisticated functions at the same time.

Model 236/3
 Top marks for practicality: the square and circular top high tables are optionally available with slots in the tabletop, allowing space-saving stacking of up to three standing tables.

230 range tables, single pedestal, compact formats

Available as side tables (45 cm (17 3/4") high), to sit at (73 cm (28 3/4") high) or to stand at (105 cm (41 3/8")). The black or white through-dyed, shock and break-proof table tops are made of HPL (High Pressure Laminate) with finely chamfered edges. The slender centre columns and flat, bright chromium-plated aluminium star bases ensure seamless furnishing solutions.

236/1

235/3

Round 230 range tables, single pedestal, large formats

We offer models with table top diameters of 90 to 140cm (353/8" to 551/8") for bigger discussions, meetings or family parties. Up to eight people can sit here comfortably. The 25 mm (1") thick MDF boards are black or white powder coated, the disc base and pedestal are made to match, optionally with a reflecting stainless steel cover and bright chromium-plated table pedestal.

230 range rectangular tables,
double pedestal

The rectangular tables are available in five formats, ranging from small (140x70 cm (55 1/8" x 27 1/2")) to medium (150x75 cm (59" x 29 1/2")) or 160x80 cm (63" x 31 1/2")) to large (180x90 cm (70 7/8" x 35 3/8")) and extra large (200x90 cm (78 3/4" x 35 3/8")). They can be used as desks, cafeteria tables, as seminar or stand-alone dining tables, as large tables for meetings or working at.
