Product
Certification**

AFRDI Green Tick certification is based on the above Standard (at the level indicated) and any additional testing and/or assessment conducted by Furntech-AFRDI during auditing processes. Certification was granted on the recommendation of Furntech-AFRDI's independent assessment evaluators and relates to both the product and its site of assembly.

The supplier having agreed to maintain the compliance of both the product and its site of assembly and to submit to retesting and auditing as appropriate, the Australasian Furnishing Research and Development Institute hereby certifies the product under the Green Tick Product Certification Program.

This certification is valid for three years but may be suspended, revoked or renewed.

The above product and its associated site of assembly have together been assessed for:

- Operational energy, water and waste
- Stewardship
- Transport and packaging
- Materials selection
- Indoor environment quality
- Corporate social responsibility
- Compliance with laws and regulations
- Fitness for purpose – strength and durability (indoor furniture)
- Toxic and hazardous substances
- Design for disassembly, recycling, re-use and product refurbishment

This certificate does not relate to glass, leather or textiles.

Note 1: Certification only covers those models of the Contas 540 Table with worksurface dimensions up to and including 1500mm(L) and 750mm(D).

For models finished with a timber veneer, AFRDI Green Tick certification only applies when the veneer component is specified as sourced from an FSC certified timber veneer supplier.
